Disney Christopher Robin

August 3

Pin the Tail on Eeyore

Printer, scissors, tape, and a blindfold.

Instructions:

1. Print out the image of Eeyore and use paint-friendly tape to temporarily mount to a wall.
2. Have an adult help cut out enough tails for all of the players. Use a loop of tape to make the attach point sticky.
3. One at a time, each player puts on the blindfold, gets spun around gently by the other players and pointed in the direction to the wall, and attempts to attach Eeyore's tail to the proper spot on his rear end.
4. After all players have had a turn, the one that placed the tail closest to the right spot is the winner.
