HANGMAN

LINES & DOTS

How to Play:

This game can be played with 2 or more players. Each player takes turns drawing horizontal or vertical lines between the dots, connecting them together.

If you complete a full square, write your initial inside the box and take another turn. If your line creates two boxes, then you get to put your initial in both of them.

Continue playing until all the dots on the page are connected. The player who has completed the most boxes wins.
